4. Upgrading

The following page explains how to upgrade in Anywhere Mobility Studio on Business Central On-Premise versions:

https://business-central.to-increase.com/md/en-US/sc_updateBIS.md

5. Granule List

To-Increase **Anywhere Mobility Studio** and its products consists of the granules listed below. These granules must be listed in the **Microsoft Dynamics 365 Business Central on premises** – and **Microsoft Dynamics 365 Business Central on premises subscription** licenses.

Product	Granule	Name
TI-Common		
N108*	11.068.690	TI-Common
BC Anywhere		
NDAW	11.158.610	BC Anywhere

The Anywhere Mobility Solution needs an additional portal license, which can be obtained via salesupport@to-increase.com.

In on-premises deployments licensing is based on granules while cloud-based (SAAS) deployments make functionality available through application areas. To be able to maintain the On Premise and SaaS versions for the products, separate apps are available.
